

City of Los Angeles Department of Public Works
Santa Monica Boulevard Transit Parkway

**Temporary Closure of Little Santa Monica Boulevard and side streets
between Pelham Ave., and Beverly Glen.**

Beginning Saturday, January 14th 2006

What work will be done?	The contractor will transition current eastbound travel lane to the north side of Little Santa Monica Blvd. Contractor will then perform major asphalt removal, dirt excavation and road building on the southern side of the roadway.
Where is the work occurring?	Work is occurring on Little Santa Monica Blvd. between Pelham Ave. to Beverly Glen.
*When will work begin and end?	Restriping work will occur on Saturday, January 14 th at 7 am and continue through the day. Major road building work will continue in this area approximately through Spring 2006.
*What time will crews be working?	Contractor will work from 7:00 AM through 5:00 PM Monday through Friday. Weekend work is anticipated for this work area.
What can I expect?	Construction-related noise, large trucks, pavement breaking and compaction vibration. The southern travel lane on Little Santa Monica Blvd., from Pelham Ave. to Beverly Glen will be completely closed during this period. Most side streets will be closed at Little Santa Monica Blvd. Thayer Ave. will remain open. Please use alternate routes. Little Santa Monica Blvd., will be in its final configuration by Spring 2006. Side street access will return at that time.
Will local access be permitted?	Eastbound Little Santa Monica Blvd., in this area, will remain in service. Access to eastbound Little Santa Monica, will be available at Thayer Ave. All other side streets will be closed.
Where can I call regarding construction after hours?	1-800-913-8777 or 310-785-2300.

*Schedule is subject to change.

Please use extreme caution while walking or driving near the construction zone and obey all traffic signs.

Thank you for your patience as we complete these improvements!
