|---|---|
| **What work will be done?** | Contractor will relocate Westbound Santa Monica Blvd., travel lanes Southerly to allow excavation and construction of roadway from Sepulveda Blvd. to Cotner Ave. Additionally, Stage I construction of the Northbound I-405 HOV lane will begin. |
| **Where is the work occurring?** | The work zone will be located along the Westbound Travel Lanes of Santa Monica Blvd. between Sepulveda Blvd. and Cotner Ave. A work zone will also be created on the Northbound I-405 on-ramp. |
| ***When will work begin and end?** | Construction set-up (staging) in this area will begin in the evening on Friday, July 7th. Travel Lane sandblasting and re-striping in this area is expected to begin after 7:00 PM on Friday and continue overnight through Saturday, July 8th. Construction in this area will begin on Monday, July 10th and continue though September 2006. |
| ***What time will crews be working?** | The contractor will begin sandblasting operations after 7:00 PM on Friday, July 7th and proceed through the night and Saturday until complete. |
| **What can I expect?** | Expect loud noise due to sandblasting and reduced travel lanes during re-striping. |
| **Will local access be permitted?** | Access though this area will be maintained. Access to Pontius Ave. will be prohibited during this construction stage. Cotner Ave. will remain open during this stage. A single lane on the Northbound I-405 will be maintained. |
| **Where can I call regarding construction after hours?** | 1-800-913-8777 or 310-785-2300. |

*Schedule is subject to change.

**Please use extreme caution while walking or driving near the construction zone and obey all traffic signs.**
